Winter 2009

Capturing the spirit of a new Pioneer

President's Message

By Angela Roy, President Moncton Council

I hope everyone had an excellent holiday season. It is now 2009 and the Aliant Pioneers are in full swing again and ready for an amazing year. 2008 was a year of great joy and great sadness within our membership. One truly understands the meaning of family when you see the way our membership gathers around those who are suffering, and the way we celebrate each others achievements and special events.

My hopes for 2009 not only center on our existing Pioneer initiatives, but also to strengthen our focus on our membership. I want to see an improvement in communication, fellowship and team work. We will begin creating an email distribution list for those life members who wish to receive information in written form, we will continue to send out newsletters with fellowship information received from our members, and we will continue our efforts to keep the Aliant Pioneer Website updated with Calendar information and our Council successes.

In 2008 we added the Tree of Hope/ L'arbre de l'espoir campaign to our list of projects and successfully raised and presented \$6,700 to this worthy cause. In addition to this great donation, we partnered with Aliant's Vendor ICT who raised \$4,300 for the Tree of Hope/L'arbre de l'espoir. Combined the donation made is \$11,000, which is a testament to team work at its best. I have been informed that ICT has issued a challenge to the Aliant Pioneer Volunteers this year and claim they will be successful in raising

more funds in 2009. I beg to differ, and I know that each of you will support our fund raising activities for this great cause in 2009.

I do want to take a moment to speak about the new logo which was launched on January 5th, 2009. The new logo is being presented as the "Spark of Change." I know change is difficult for some because it represents a move away from what is comfortable and familiar. However I ask that each member take a moment to read the information contained within this newsletter with an open mind. The Pioneer Triangle which has become a symbol of Pioneering over the years is still a part of this new design and can be seen within the "spark" and the spark is made up of several triangles. With this new design we also have the new title as "a volunteer network" which describes who we are and what we do. This new brand logo, per the Telecom Pioneers website "reflects not only the Pioneers history, but also our potential for the future."

I want to thank each of you for a great 2008 and I know that we will continue to flourish in 2009. I also want to thank the entire 2008 Council Executive for their guidance, input and participation. Without the support of your Council and membership, I would never have had such a successful year.

Angela Roy
Aliant Pioneer Volunteer
2008 Moncton Council President

Run for the Cure

Aliant folks participated in the Annual Run for the Cure on Sunday, October 8, 2008. It was a beautiful fall day and the Aliant team, lead by Susan Cumming are seen below warming up before the run. This team of 10 employees raised approximately \$1700 for this great cause. Team members were Susan Cumming, Linda Higgins, Liette Sweetapple, Louise Ongo, Leesa Allain, Carole Theriault, Luc Guignard, Michele Mouland, Janice Robichaud and Darren Crosby.

Computers for Schools

From left to right, back row: Terry Nixon, Joe Bourgeois, Garnet Horsman, Warren McKnight, Mike Koval, Bob Horsman, Mike Keirstead. From left to right, front row: Angela Roy, Michele Mouland, Grant Losier, Harry Agnew, Ken Kanner, Wilfred Knight. Standing in front of Ken, his granddaughter Rachel LaPlace

The Computers for Schools team was presented with Aliant Pioneer Sling Bags as a small token of appreciation for their continued work on the Computers for Schools project that continues to supply school and needy organizations with much needed equipment. The Computers for Schools group meets every Thursday night on Mapleton Road and welcomes new members.

Donation to Reading Project at École Sainte-Bernadette

(Left to Right): Lise Vautour (teacher), Stéphanie McKenna (president of student council), Nathalie Breau (parent-volunteer (with her child), Kim Landry (president of School parent committee), Angela Roy (President of Moncton Council) and Luc Handfield, (Principal).

Note about the program from Luc Handfield, Principal

At École Sainte-Bernadette, reading and writing is a focus: we want our students to develop a strong base in literacy, enabling them to be successful in school and furthermore in life. In order to support our efforts towards this goal, we needed to have lots of books available for all types of readers. This is how our project came to life.

The 1000\$ donation from the Aliant Pioneers not only really helped us reach our goal of 7000\$ to buy books for all our classes, kindergarten to grade 5, but also supported our application towards even more money from the Minister of Education through the Innovative Teaching Funds program. Hopefully, your donation will grow into even more money with that program.

Aliant Pioneer Playground in Dieppe

The Moncton Council of the Aliant Pioneer Volunteers were proud to attend the official opening of the Aliant Pioneers Playground. In 2007, the Moncton Council and Chapter 51 donated \$25,000 to help build this playground for local children. The playground, located in Dover Park and designed for children 3 to 12 years of age, is made up of the jungle gym and swing set seen in the photo, but also has a variety of play stations located beside the walking trail for children to utilize. This playground cost approximately \$100,000.00 to build.

Left to right, Dieppe Mayor Jean Leblanc, Moncton Council President Angela Roy, Chapter 51 Past President Clarence Vautour, Moncton Council Past President Louise Leblanc, Southeastern NB Alant Regional Manager Nicole Gallant.

Aliant Pioneer Folks as well as Candace Salkey, President, Chapter 51 on the far right

Pioneers Bowling Tournament

This year's bowling tournament saw teams from all over the province meeting at the Dieppe Bowlarama. There were participants from Saint John, Fredericton, Bathurst, Mirimachi, the Acadian Peninsula as well, of course, Moncton. The day started mid morning and went till after supper.

6 teams of 5 players each played various games throughout the day.

Lunch and Supper were provided as part of the tournament. Dinner was brought in by the St. Anselme Golden Age Club

Top Team Winners

and supper was hosted at the Golden Age Club.

At the end of the evening the prizes were handed out. Winning team was from Moncton. On the team was Clarence Vautour, Hugette Vautour, Fern Leblanc, Ernestine Boudreau and Arthur Boudreau. Prizes were handed out for various achievements of the day and all participants walked away with a prize. Overall the participants had a fun and full day.

Photographer: Bill Buchanan

Thank you for a great 2008

As 2009 begins and my presidency ends, I attempt to take stock of all that we accomplished in 2008. We had huge success with everything that we attempted because the membership of the Moncton Council works not only as a team but as a family.

In 2008 we also lost members who were close to our hearts, said prayers for those who fell ill and gave hugs to those who were suffering. But through it all, you the members were the ray of light that kept things going and made sure nobody was forgotten.

My year has ended and to me it was a huge success. I met new people, built friendships and knowledge, and strengthened

my respect for all of you who make the Moncton Council a true success. And I know that as Karen Buckley begins her year as 2009 President of the Moncton Council, she will be truly blessed to experience the love, hard work and friendship that I have during my year.

Thank you to the Executive, especially the Senior Advisors (Baldy, Bill and Clarence) and Past President Louise for all your

support and guidance. As a team we were strong, as a family we were unbeatable.

I found this quote and it sums it up perfectly:

I would thank you from the bottom of my heart, but for you my heart has no bottom. ~Author Unknown

Thank you
Angela Roy
President

Roasting - A Show of Respect

On the evening of Friday, November 14th the local Moncton Pioneer Council held a roast in honor of Harrison "Baldy" Tait at the Coverdale Recreation Center in Riverview. Baldy, as known by most, was being honoured because of him being the recipient of the 2007 Individual Excellence Award for Pioneer retiree in both the National and International categories.

During the evening Angela Roy, Moncton Council President, emceed the event. There were approximately 150 folks who attended the event, including retirees from Moncton and others from Saint John to Edmundston and Halifax. The Moncton council and NB

The Tait sons (Todd, Terry and Troy) and Harrison

Chapter executives, as well as Michael Sears and Candace Salkey were on hand to serve Sparkling Cider to all in toast to all of Baldy's accomplishments. Baldy's family was in attendance and in fine form. There were many stories shared, by past coworkers and friends as well as Baldy's three "boys" and his granddaughters. It was a side splitting evening that left Baldy practically speechless at the end, which as most know it is hard to do.

Donations of non perishable food items were collected in the spirit of Baldy's community efforts.

ARE YOU?

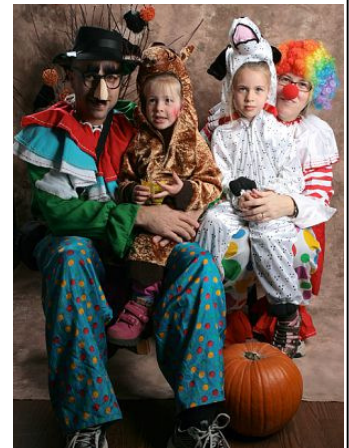

Are you an active Pioneer
The kind that would be missed?
Or are you just contented
That your name is on the list?
Do you attend the meetings
And mingle with the flock?
Or do you stay at home and
Criticize and knock?
Do you ever go to visit a
Pioneer who is sick?
Or leave the work to just a few.
Then talk about the clique?
There is always a program scheduled
We're sure you've heard about,
And we'll all appreciate it if
You'll come and help us out.
So, come to meetings often,
Help with hand and heart –
Don't just be a member, but
Take an active part.
Think this over, Pioneer, you
Know right from wrong.
Are you an active member or
Do you "just belong"?

Halloween Party an Annual Event

The Aliant Pioneers Annual Halloween Party was a great success . The party was held on Sunday October 26th and went well, many children had their photograph taken. Distribution of photos this year was done differently. Pictures were posted them to a secure Shutterfly site and the link was send out to all. Aliant and Aliant Pioneer. Peekaboo's new location on 37 Highfield Street, was a great venue to hold the event at, even though they were not officially open to the public yet. Thank you to the Peekaboo staff for accommodating us, we really enjoyed it.

School District 1 expresses THANKS!

Moncton Pioneer Council were invited to attend a monthly District 1 School board meeting, so they could thank the local Aliant Pioneers for their donations in 2008. The backpacks donated to the schools were an amazing help and the \$1000.00 donation to assist the school programs was greatly appreciated. The District expressed their appreciation of the support the Aliant Pioneers give year after year.

Photographer: Bill Buchanan

Left to Right: Karen Branscombe, District 2; Louise Leblanc, Aliant Pioneers; Mary Sears-Sterling, Aliant Pioneers; Sandra King, Aliant Pioneers; Monique Desormeau, Aliant Pioneers; Angela Roy, Aliant Pioneers and Harry Doyle, Chair, District 2 Education Council.

Another Success Christmas Daddies Telethon with the help of Aliant and Pioneer Volunteers

December 7th this year marked the 45th year of the Christmas Daddies Telethon. The Christmas Daddies Telethon has many wonderful sponsors who help make this telethon a success, including Aliant and Pioneer volunteers who man the phones from the Aliant call centres.

The Telethon originated in Nova Scotia in 1964. Two local radio and television personalities came up with the concept after they were sitting at a local pub and a young 8 year old boy was panhandling to get money to bring milk and bread home to his mom and baby sister.

The two men were worried about what kind of Christmas that family and other families like them would have that year. From there the story is history.

Once the funds are raised the monies go to The Salvation Army to distribute in the area that the funds were raised. The funds provide needy families with toys, gifts and clothing at Christmas time.

This year the Christmas Daddies Telethon raised overall \$892,422.00 and in NB the to-

tal was \$183,600.00. Sincere thank you to the 38 Aliant and Pioneer volunteers who gave nearly 200 hours of their time to help make this Telethon a success.

Special thanks to Eric Gallant who organized the Moncton site.

Photographer: Eric Gallant

Christmas ICT Style

I wanted to share a heart warming story about one of our Vendors, ICT. ICT has been amazing in supporting the Aliant Pioneer Volunteers in 2008 (backpack for kids, Tree of Hope, etc), and this Christmas Season they have continued to show their community spirit and good will.

The Moncton Council of the Aliant Pioneer Volunteers adopted 18 families this year and the Riverview office of ICT asked to adopt one of these families. ICT has taken care of this family of 4 children and 2 parents like the no other; they have raised enough money to purchase 11 gifts per child and had \$80 left over to purchase a grocery gift card.

The generosity of the ICT agents and management team truly warms the heart during this festive time. I am proud to partner with ICT, and look forward to doing more for our communities in 2009.

Angela Roy

Operation Christmas Child

The Samaritan Purse, a non-denominational Christian organization, in Canada runs three processing centres for Christmas Shoeboxes, one of which is in Moncton. These shoeboxes are filled with goodies such as pencils, glasses, toothbrushes, hard candy, toys and other items. At the processing centre the shoeboxes are checked to ensure only appropriate items are among the contents. Once checked the

boxes are sealed and sent overseas to areas where children are desperate. The shoeboxes bring joy and hope to these young children.

This years boxes from this centre were going to Senegal and Côte D'Ivoire, "Ivory Coast".

Thanks go out to Bill and Janet Buchanan for organizing the volunteers needed to help process the boxes. Thanks to the volunteers pictured to the left who gave up their Saturday morning to help a this worthwhile cause.

Photographer: Bill Buchanan

SO YOU THINK YOU ARE A VOLUNTEER

Contributed photo

Georges Savoie, Director for the St. John Ambulance, N.B. Council, presents George Matheson with his certificate.

St. John Ambulance honours local volunteers

To honour the Miramichi Area volunteers, St. John Ambulance held their Volunteer Recognition Event on Nov. 5 at 65 Johnson Avenue in Miramichi.

Among the many volunteers recognized for their significant community service was George Matheson. He received the Provincial Chair's Commendation in recognition of his dedicated service of over 11,000 volunteer hours over 35 years. George Savoie, Member of the Board of Directors for St. John Ambulance presented the award.

The Provincial Chair's Commendation is an exceptional distinction that is awarded by the Chair of a provincial council to recognize a particularly meritorious contribution at the provincial level.

A Provincial Chair may issue a Provincial Chair's Commendation to any individual, whether a member of the Order of St. John or not, who has performed an exemplary deed or activity in the pursuit of the objectives of St. John that is worthy of provincial or regional recognition.

Matheson has been a member of St. John Ambulance for over 35 years and is a Commander in the Order of St. John.

He is a member of the Miramichi Unit and served as Unit Leader from 2005 to 2008. He is currently serving as a member of the Board of Directors for St. John Council for New Brunswick.

Matheson was instrumental in securing a building for the Miramichi Unit and has spent many years managing the finances of the Unit to ensure that funds were available for any vehicles and equipment needed in addition to fund-

ing ongoing operations.

In 2002, Matheson was a recipient of the Queen's Golden Jubilee Medal.

Matheson has worked diligently to bring the provincial first aid competitions to Miramichi as the Unit celebrates its 50th birthday in 2008.

He has contributed over 11,000 hours of service to the community through St. John Ambulance and also served as a first aid instructor for many years.

The Priority Vote of Thanks went to Kenton Pickford, who joined the Miramichi Division in April 2005. Since that time, he has become an active St. John Ambulance instructor, teaching numerous industry and public courses. In addition to his role as an instructor and patient care volunteer, Pickford is also the Divisional Training Officer.

St. John Ambulance has approximately 500 volunteers and first aid instructors in New Brunswick that work toward improving the health, safety and quality of life of people in their communities. St. John Ambulance Medical First Responder volunteers are present at community events to provide first aid when required. The volunteers are trained to a Medical First Responder level and give freely of their time. There are always far more events than available manpower so new volunteers are always welcome.

St. John Ambulance also has an active Therapy Dog program in various communities across the province. The teams, consisting of a volunteer and their dog, visit community members who are sick, lonely or reside in care facilities to offer them the therapeutic benefits of the

unconditional love of a four-legged friend. These volunteers and their dogs complete a series of screening checks and tests prior to entering the program. There are always opportunities for handlers and fully vaccinated and well-tempered dogs for the program.

Information on volunteering is available by contacting St. John Ambulance at 1-800-563-9998.

Following is a full list of service awards for the Miramichi area:

Bar for nine years of efficient service

Michael Doucette
Jennifer Tracy

Bar for six years of efficient service

Donna McGloin

Bar for three years of efficient service

- 2500 Hours — John Septon
- 4500 Hours — Sandra O'Shea
- 8500 Hours — Paul Connell
- 12,000 Hours — Michael Morrison

Tree of Hope/L'Arbre de L'espoir

The Moncton Council of the Aliant Pioneer Volunteers is very pleased to have presented a cheque in the amount of \$6700.00 during the Tree of Hope/ L'Arbre de L'espoir Radiothon held on CBC Radio One and Première Chaîne de Radio-Canada on November 27th and November 28th, 2008.

We are thrilled to have been able to raise this sum of money in our first year of supporting the Radiothon. We know that 100% of that money will stay right here in Moncton for cancer patient care, equipment and research through the Atlantic Canada Research Institute (just down the street from the Dr. Georges-L-Dumont Hospital). At the Dr. Leon-Richard Oncology Center, cancer doesn't have a language. In that treatment centre, it is almost a 50/50 split of English and French patients receiving care for this terrible disease and over 80,000 patient visits were made to that centre just in this year alone.

Although we raised this sum through a variety of activities in the few preceding months of the Radiothon with a very small amount of volunteers, we are recruiting and planning for next year's activities already. We want YOU to be involved. We don't need a lot of your time; just a helpful hand or some fun fundraising ideas would be appreciated to help make events or activities a success.

Activities from 2008:

Selling approximately 120 Scotsburn Bulk Ice Cream containers (3 different sale times, July, August, September)

Selling Tree of Hope pins, magnets, bracelets and bandanas (August-November)

Selling frozen treats at Mapleton Road (Summer)

Small change jar drive (Mapleton Road Kitchen & Access Engineering)

Cream pie toss (Corn boil - September)

Online auction (September)

Wine and Food Festival Coat Check at the Moncton Coliseum (November)

Bake sales (August, November)

Mary Sears Sterling

REMINDER:

Change of address, contact information

Pioneer members who have moved or changed surnames during the year should notify the Pioneer office. We do not get address changes that are directed to Human Resources.

*You can report any changes on the **Member address change form** located at:*

www.aliantpioneers.com. Click the membership tab to access the form.

If you're not sure what information we have, please fill out the form. We'll match it with our records and make any appropriate changes.

Births, Birthdays, Special Milestones

If you have a special occasion (Births, Birthdays or Special Milestone) you would like to share for yourself or a coworker or retiree then please send along your submission to Sandra King.

Sandra.King@aliant.ca

Birth Announcements

Congratulations go out to:

Natalie and Scott Allen on the birth of their daughter Lily Faith. She was born on September 29, 2008.

Jeff and Jennifer MacQuarrie on the birth of their son Coen Ross. Coen was born on October 19, 2008.

Karen Buckley on becoming a grandmother. Her son Jason and daughter in law Bridget had a boy on October 21, 2008 and named him Landyn Jack.

Rachelle and Jason Brine on the birth of their daughter Abigail Natalie. She was born on November 19, 2008.

Helping Needy Families takes a lot of Coordination

Each year there is a network that organizes Needy families receiving Christmas boxes with gifts for their children. Each year Aliant participates in the venture. This year we started off collecting food donations in the offices. Each month the 3 buildings were given a list of items to bring in. 18 families were on our list so we needed at least 18 of everything. Throughout the offices and from the retirees, we had a wish list of gift items that the family had asked for as gifts for the children. Employees, present and past, took care in filling those wishes for the needy families. Once the food items were collected Harrison "Baldy" Tait determined how much food was still needed to purchase to give the families 2 weeks worth of groceries and all the fixings for their Christmas turkey dinner. This undertaking is a huge event to organize. Once the food and gifts are purchased, then there

is the systematic packing and wrapping of these items so they can be distributed to the families. Day 1 volunteers ensure the boxes are packed, labeled and organized by family. Day 2, packing is completed with the addition of the perishable items and then volunteers deliver the items to the families. This year the deliveries were completed by the Aliant I&R folks as well as NB Jeep Club Inc. We received donation of boxes to pack the good from Advocate Printing & Publishing (Maritime Press) and Norampac. Over \$13,000.00 in food and gifts were donated/purchased to help the 18 Needy families. This is an amazing gift to give to folks who might not have such a nice Christmas without this help. Thanks to everyone who helped in a small or big way and a special thanks to Baldy for his continued dedication to this very giving project.

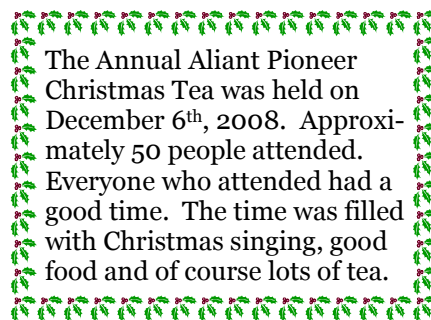

Christmas Potluck and Yankee Gift Swap

The second week of December the monthly potluck became the night of the Annual Christmas Potluck and Yankee Gift Swap. As usual everyone brings a food dish to share with everyone so there is always lots of good food to eat.

For the gift swap each participant brings a gift valued at \$10, identified as for either a man, a woman or neutral. The presents are placed under the tree. Each per-

son is given a number. To start the swap a number is drawn. The person whose number is drawn picks a present from under the tree and opens it. Because the person has no other open presents to choose from, they get the last choice of all gifts at the end. The next person whose ticket is drawn takes a present from under the tree and, without opening it, decides if they want the opened gift or the gift they picked up. It continues till everyone has a gift. There are lots of laughs, especially as Lawrence keeps vying for a bottle of wine. The Pioneer potlucks are held the second Wednesday of the each month. Everyone is encouraged to attend.

Photographer: Bill Buchanan

The Annual Aliant Pioneer Christmas Tea was held on December 6th, 2008. Approximately 50 people attended. Everyone who attended had a good time. The time was filled with Christmas singing, good food and of course lots of tea.

New Pioneer Logo

As most of you have seen the new Pioneer logo was launched on January 7th. If you wish to know more about it you can check out the info on the pioneer website. <http://www.aliantpioneers.com/index.php>

Then click on:

New Pioneer Branding
We're igniting a
spark of change!

Children's Christmas party

The annual Children's Christmas Party was held on December 14. We had 32 children attend and 72 adults. This year's party was held at the Riverview Rec Centre, which gave us lots of space for activities.

Children had several activities that they could participate in. They got to decorate their own gingerbread cookie before they ate it. They were able to make 2 different ornaments for their

tree. There was coloring and word searches to use the mind and active games to burn off the sugar. As well as an airbrush tattoo

Santa's lap and then open their gifts. Thanks to the volunteers who helped make this year's event a success.

Photographer: Patrick Arsenault

artist was a big hit with the kids and even some of the adults.

Of course the favorite part of any Christmas party was the visit from Santa. Children rushed Santa as he came in the door and then waited anxiously for their names to be called so they could sit on

Not a chance of going to work hungry

The Annual Aliant Pioneer Christmas breakfast was the biggest attended breakfast in several

years. Clarence and Hugette Vautour coordinated another amazing breakfast again this year. It was attended by current employees, retirees and special guests from across Aliant.

Numerous volunteers are needed to put on such a bountiful meal of pancakes, eggs, bacon, ham, hashbrowns, etc. They start prepping in the early hours of the morning to have food ready for the start time of 7:30am. Then food is continually being cooked and refilled to feed folks up until 9:30am.

There were a lot of smiling faces as folks met, catching up on each others life and reminiscing about the old days. Lots of fun and laughter. And of course it's hard to pass up a chance of winning on the raffle, so lots of tickets were purchased for a chance to

win one of the prizes. Overall a great time was had and bellies were full.

Photographer: Bill Buchanan

Breakfast Food Facts:

350-375 served at the Hall

48 taken out

How much food does it take to feed all those people?

52 dozens eggs

16kg of pancake mix

180 full slices of ham

4- 13 lb boxes of bacon

38 bags of pan fries

44 liters of orange juice
